Convalescent Home for Officers of the Navy and Army presented to the Nation by King Edward VII.

Osborne is open for the reception of convalescent officers of the Navy and Army. Officers will be received at Osborne on the recommendation of the Director-General of the Medical Department of their respective Services, to whom all applications for admission should be addressed.

As regards the Army, recommendations for admission or applications from officers themselves, whether on the home or foreign establishment, should be sent direct to the Director-General, Army Medical Service, War Office, Whitehall, S.W. A medical statement of the case should be enclosed.

The accommodation at Osborne, which will be divided equally between the two Services, will provide for 43 officers, 5 of whom may be accompanied by their wives. Children will not be allowed to live in Osborne.

The entire stoppage to be paid will be 2s. 6d. per diem for each officer or his wife.

Medical attendance is free; but in certain cases requiring massage, special nursing, or other special measures, a charge will be made to cover the cost.

The duration of the stay of officers at Osborne will be determined by the House Governor and Medical Superintendent and the Consultant on duty for the month, subject to the approval of the Director-Generals of the Medical Departments of their respective Services.

- c. That the number of officers of the Special Reserve and the Territorial Force in Osborne does not exceed 8 at any one time.
